The above statement of income and expenses has been prepared to disclose in detail the income and expenditure, along with the funds held for future distribution, of Only Fools and Donkeys LBG ("OFAD") since its formation in 2010 to 31 December 2018. OFAD's principal fundraising activities surround bi-annual cycling events and the funds raised are distributed over the 2 years following the event. OFAD's primary beneficiaries are other charities and causes, here in Guernsey, which support sporting, social and educational activities for those in our community with any disability. Unless expressly specified at the time, the funds raised by OFAD are donated locally. OFAD aim to distribute in excess of 95% of all funds raised by keeping administration costs to a minimum and OFAD is pleased to report that 98.6% of all funds raised to date are available to donate to our beneficiaries. OFAD would like to thank all of our fantastic Mules and sponsors for their generous support.
